

Ministry of Welfare
Republic of Latvia

Proposal for a Directive of the European Parliament and of
the Council on work-life balance for parents and carers

- **Agnese Gaile,**
- Senior Expert,
- 10 August, 2018
- Department of Social Policy Planning and

Ministry of Welfare
Republic of Latvia

- The initiative aims at modernising the existing EU legal framework in the area of family-related leaves and flexible working arrangements.
- It should boost the take-up of family-related leave by men, which could help increase female labour market participation.
- On 21 June, 2018 the Employment, Social Policy, Health and Consumer Affairs (EPSCO) Council reached the general approach on Directive.
